

File Smart....File Electronic

You are invited to the 2004 E-file Seminar
sponsored by the
Internal Revenue Service
and the
Nebraska Department of Revenue

E-filing has quickly become the favored filing method, not just nationwide, but also in Nebraska. Taxpayers get their refund faster, tax preparers can offer their customers quick and accurate service, and the State saves time and money processing returns.

As of July 22, 2004, Nebraska taxpayers e-filed approximately over 460,965 Federal and State tax returns. About 70% of these returns were prepared and sent by tax professionals.

You can find out more about e-filing for the 2005 filing season. The IRS and the Nebraska Department of Revenue are providing *free* E-file seminars in Omaha and Lincoln.

Participants will:

- Learn about Federal and State e-file updates for individuals and business
- Hear discussions on some of the problems encountered in the past
- Get pointers on how to resolve those problems
- Learn about IRS Modernized e-file, EFTPS, e-services, Subscription Services..
- Learn about the requirements to file updated applications (Form 8633)
- Learn about Compliance initiatives

Participants will be able to ask questions, offer suggestions and share concerns during the session.

The seminar is *free*. Pre-registration is requested so we can accommodate your needs. **CPE certificates will be issued for both EAs and CPAs.**

Don't forget you can still e-file returns through October 15, 2004!
